

January 12, 2024

Dear Friends of St. John Regional Catholic School,

Since 1829, St. John Regional Catholic School located in Frederick, Maryland, has been providing quality education through a dynamic and comprehensive curriculum for students in Pre-Kindergarten through the eighth grade. A two-time National Blue Ribbon School of Excellence, St. John Regional Catholic School serves over 450 families in the greater Frederick area.

SJRCS is committed to the development of future leaders through academic excellence. Programs such as Virtues in Practice and The Heart of Leadership provide all students Pre-k to grade 8 a unique opportunity to build character and strengthen morales.

Here at St. John's we embrace the importance of building and fostering a meaningful sense of community. Although you may not be personally tied to SJRCS, we welcome you as a part of our family. As a non-profit educational institution the success of our students is dependent upon generous donations from individuals and businesses such as yours. Your support is essential to our mission of providing an exemplary education to each and every student.

On Saturday, April 27, 2024, we will host our **22st Annual Auction and Gala** with a theme of "**Viva Las Vegas!**" Our operating budget for these events relies solely on the revenues generated from goods, services, and monetary donations. All proceeds from this event are invested thoughtfully to the greatest areas of need in the school community, such as safety for our students and staff.

St. John Regional Catholic School is a 501c (3) (52-1752206) not-for-profit organization and your donation is fully tax-deductible for both federal and state tax purposes. All donations will be acknowledged by letter.

We sincerely thank you for your consideration and welcome any questions you may have.

A handwritten signature in blue ink that reads "Katharine Galvas". The signature is fluid and cursive.

Mrs. Katharine Galvas
