

### 2024-2025 Parents in Partnership Program

Parents and guardians of St. John Regional Catholic School students are encouraged to actively engage by volunteering at school. Volunteers can earn \$10 per hour, up to 30 hours per student, potentially reducing each student's tuition by \$300. Pre-K half-day students can earn a \$150 reduction in tuition by volunteering 15 hours a year.

Example:

Student 1	30 hours of volunteering equals a \$300 reduction in tuition
Student 2	60 hours of volunteering equals a \$600 reduction in tuition
Student 3	90 hours of volunteering equals a \$900 reduction in tuition
½ day Students	15 hours of volunteering equals a \$150 reduction in tuition

There are numerous opportunities to accumulate volunteer hours at our school. You can participate in school committees, volunteer on campus, lead afterschool programs, coach sports teams, coordinate events, contribute to the Home and School Association (HSA), or make donations to support various events. These are just a few examples of the many ways you can get involved.

Please remember that **all volunteers must be Virtus certified**. If you haven't started the certification process yet, we encourage you to begin now so you can volunteer without delay. Any questions regarding Virtus certification can be directed to Denise Price at [dprice@sjrcs.org](mailto:dprice@sjrcs.org).

If you plan to participate in the Parents in Partnership Volunteer Program during the school year to earn tuition credits for your family, these credits will be applied to your account each trimester. Please visit [www.sjrcs.org/volunteer](http://www.sjrcs.org/volunteer) for volunteer opportunities.

Thank you for volunteering at our school! Your support is greatly appreciated!
