

Annual Fund for St. Johns

As we embark on a new school year, we invite you to join us in a mission that is not just about meeting financial goals but about shaping the future of our students and community. Your generous contribution to our Annual Fund holds the power to transform lives, inspire dreams, and build a brighter tomorrow.

Education is the cornerstone of a thriving society, and our commitment to excellence is unwavering. With your support, we can continue to offer high-caliber academics that challenge and engage our students, preparing them to become future leaders and innovators. Your gift will help us maintain academic excellence, enhance the arts, propel our athletics, upgrade safety features, offer teacher growth opportunities and more!

You may honor a loved one or honor the memory of a loved one with a gift, send a gift to SJRCS to celebrate a friend's birthday, anniversary or a holiday. We will send you a note confirming receipt of your gift and will send a corresponding note regarding your thoughtfulness to the person you have honored.

Thank you for your support to SJRCS!
Go Wildcats!
