Catering Healthy School Lunches

by All About Lunch

ABOUT THE PROGRAM

What started 20 years ago as a lunch program to serve one small private school has evolved into our mission: to serve the highest quality, healthy and appealing lunch for children across the state. As a family-owned company, our employees are the parents, grandparents, and loved ones of our own children. We believe in the positive impact nutritious and delicious meals will have in their development.

Today we service 28 schools and offer an affordable variety of 60+ hot or cold menu combinations; including kid favorites: Mac & Cheese, BLT Croissants, French Toast & Sausage and Boneless Wings. Whether your child prefers limited menu items or enjoys a wide range of options we look forward to serving your children a well-balanced school meal they are sure to enjoy. If you would like to try our program or are interested in learning more, please call us at 410-667-1100.
